keep out the cold from the drunkard's some denotes a contribution toward . ouving new suits for the rumseller and his family. The more elegance clouds rolled along the heavens. There to have a fight with the Mexicans in hill again, she discharged the servant and ease in the ramseller's family, the more poverty, degradation and deronize him. The corner grog-slop, with large plate-glass windows and marble floors, is paid for by the ten ants of other landlords who refuse to let their buildings for such purposes. The more plate-glass and marble slabs there are in the rum-shops the more old hats and soiled garments. must be stuck in the window of their patrons to keep out the cold air. The more silk flounces upon the dress of the rumseller's wife, the cheaper the calieo upon the wife and children of his patrons. The more spacious the parlor and brighter the fire of the rumsellers, the more scantily furnished and colder are the abodes of those who patronize him. While the rumseller drives his \$1,000 span, his customers cannot even afford a five-cent horse car. From the bung hole of every barrel of liquid damnation that is sold by the dramsellers there flows a constant stream of drunkards, criminals, paupers, tramps, lunaties, and imbeciles to fill poor houses, houses of correction, jails and prisons; while blasted hopes, rained homes, and pauper's graves are the relics of the trade. Every dollar that the owner of the rum shop and his rum selling tenant put into their pockets, comes out of the pockets of the poor meu, and is a dead loss as far se the public good is concerned, Worse than that, the more rum sold the more burdens there are imposed ers. The richer the landlord and his ings for tenements and legitimate business. It is an undisputed fact that
